EXPERIENCE

Creative Director & Lead Editor
Rainbow Kreativ – Manchester, UK
Jan 2023 – Present

- Directed 20+ immersive commercials and interactive campaigns across digital and mobile platforms.
- Developed visual storytelling pipelines incorporating 3D, motion graphics, and real-time VFX.
- Led IP ideation and concept development for brand films and product showcases.
- Collaborated with developers and content strategists to translate complex ideas into visual stories.
- Oversaw cross-functional teams of editors, 3D artists, and designers to deliver audience-centred content.

Video Editor & Media Technologist
BBC Northern Ireland – Belfast, UK
Jul 2023 – Sep 2023

- Produced and edited broadcast segments, integrating narrative structure with animated infographics.
- Created 3D reconstructions and VR-ready visual assets for news and documentary features.
- Coordinated with directors and journalists to shape editorial tone, accessibility, and visual style.
- Trained junior team members in visual effects workflows and storytelling techniques.

Video Editor & Motion Graphics Artist
Lanre Esho Films – Lagos, Nigeria

May 2020 – Jun 2021

- Developed emotional story-driven edits for weddings, brand projects, and advertisements.
- Designed motion graphics intros and title sequences to elevate narrative delivery.
- Maintained creative timelines and client engagement through structured delivery pipelines.
